

Dear Parents,

**REF: SSA REGISTRATION OF SWIMMERS**

The Singapore Swimming Association has decided to implement Swimmer Registration from March 2008. The registration fee is \$30/= per annum.

With effect from 2008, swimmers taking part in any Swim Meet organized or sanctioned by SSA will have to be SSA registered.

As registration in the initial stage has to be made through the affiliates, we seek your consent to allow the SSC to register your child/children on your behalf. The payment will be debited to your membership account.

Kindly fill in the lower half of this circular and return it to the Swimming Department office or the Reception Counter in the Club lobby by 10 Feb 2010. ( ‘\*’ denotes compulsory fields)
